

The Schools' Business Partnership

Time to Count

A numeracy support programme for children in 3rd class which aims to:

- Build children's **CONFIDENCE** around number
- Foster children's **ENJOYMENT** around number
- To reinforce children's **CONCEPTUAL UNDERSTANDING** of number
- Support **FLEXIBILITY** and **PERSERVERENCE** in solving problems

WHAT: Volunteers play numeracy games with small groups of children in a 40-minute session

WHEN: Weekly, at a prearranged time, for 10 weeks

HOW: In the classroom

WHO: 7 - 10 volunteers who enjoy numbers and maths. Volunteers participate for one block of 5 weeks

Training and session plans provided to all volunteers along with ongoing support from a dedicated BITCI Co-ordinator.

"The experience was very satisfying to see the positive impact it had on the children's confidence and ability."

"Felt good to work with the kids and try to help them enjoy numbers!"
