

The Schools' Business Partnership World of Work Programme

This programme provides 2nd year students with an opportunity to meet employees from a local company in order to learn about the World of Work. It facilitates conversations and insights to the many roles in the workplace. This inspires and encourages young minds to look towards the future.

- ✓ Programme dovetails with the Junior Cycle curriculum
- ✓ Teaches the students the soft skills they need for school-based assessments
- ✓ Takes place at a time that suits the business during the school year.
- ✓ Comprises 5 sessions with local flexibility
- ✓ Advice and support materials are provided

SESSIONS:

1. Meet & Greet – programme overview (undertaken by BITCI)
2. Day in the Life – sharing team roles and daily duties
3. Company site visit – tour including a 'hands on' activity
4. Soft Skills Session (presentation/ communication/ teamwork skills)
5. Sustainability session
6. Wrap Up

Option of other skills sessions & Mock interviews to 4th/ 5th year students
