Legend:

- Inclusive Workplaces and Thriving Communities
- Net Zero and Nature Positive
- Responsible Business
- Network Event
- CEO & Leaders’ Event

Peer Circles

Peer circles on various topics will be announced throughout the year. These meetings provide a forum to bring small numbers of members together to exchange experiences, challenges and ideas on a specific topic in a confidential setting.

Knowledge Sessions

These larger virtual meetings are for all members and focus on one area (e.g. Low Carbon Pledge) and combine expert speakers with discussion.

Leaders’ Group:

The BITCI [Leaders’ Group on Sustainability](#) is a progressive CEO-level working group that promotes bold leadership for sustainability and seeks opportunities for innovation and cross-sectoral collaboration. Each year the CEOs of the Leaders’ Group convene for peer-to-peer networking, knowledge sharing and to foster collective accountability.

BITCI Roadshow

The roadshow events are an opportunity to showcase the impact of the partnerships between BITCI and its members, industry partners, schools and communities in achieving a greener, more inclusive society.
